School Uniform from September 2021

Dear Parent/ Carer

In readiness for our September return and in line with the latest changes made by government about ensuring uniform is affordable for all, we have reviewed our current uniform expectations. Our aim is that our uniform is consistent across the school and that no family is put under financial pressure, therefore we have selected uniform that can be purchased from a wide range of suppliers to fit everyone's budget.

For those parents who wish their child to have uniform with the school logo on, Whittakers School Wear is our current provider. Whilst it is always lovely to see the children with the logo on the uniform, it is not expected. A uniform booklet and current price guide is included with this letter.

Introduction of a PE 'active wear' uniform

The views of parents in our recent questionnaire were strongly in favour of a PE 'active wear' uniform and we whole heartedly agreed. We have had children coming in active wear this year for PE but are aware that, as it is not currently specified as a uniform, many children have been wearing branded sportswear. From September, to avoid any anxieties around having the 'right brand', we expect all children to wear the PE 'active wear' uniform as specified in the booklet and price guide attached.

All changes to uniform will be applied from September 2021.

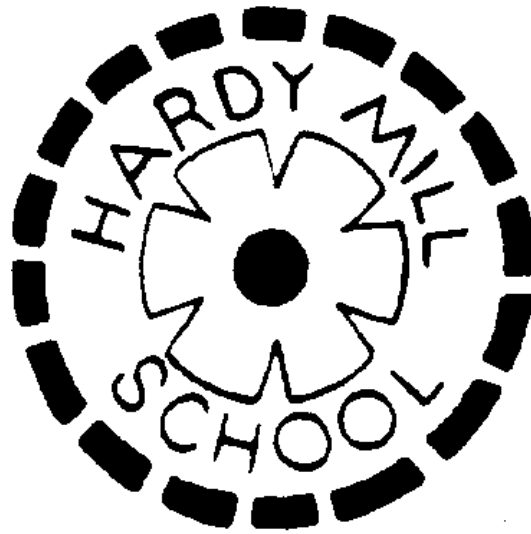

Kind regards

Mrs Briggs
